CAL-MIL CARES

As we know, world hunger is a huge and ever-growing problem. In our search to give back, we came across an organization called Outside the Bowl (OTB). OTB is dedicated to making a positive impact in the world by helping feed the hungry. In an effort to feed as many people as possible, OTB invests in infrastructure uniquely called Super Kitchens. Super Kitchens are innovative, self-sustaining, and cut costs for organizations that feed those in need in their communities. As a result, more people are receiving the nourishment they so desperately need.

Outside the Bowl's Super Kitchens have the capacity of producing 6,000 meals a day! At only 2,000 meals a day, a kitchen is financially viable.

These meals are delivered to ministries and feeding partners throughout urban areas in Haiti, Mexico, South Africa, and Malawi – allowing feeding partners to effectively, efficiently, and sustainably feed the most vulnerable in their communities.

Cal-Mil has partnered with Outside the Bowl and is committed to their vision of a world in which all children are nourished, both physically and spiritually. Please join us in helping to build the next Super Kitchen!

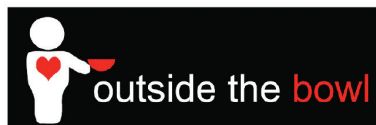

You can donate at OTB's website: www.outsidethebowl.org

Recent Accomplishments Include:

- 9 Super Kitchens (Tijuana, Mexicali, Jalisco, Port-au-Prince, Port-de-Paix, George, Lilongwe, Paarl, Wellington)
- This past year we started taking steps to open Super Kitchens in Juarez and Guatemala City.
- 21.5 million meals served since 2009

We appreciate your consideration in partnering with us to feed the hungry ... body & soul. Even the smallest amount can make a huge difference.

CLOSE TO OUR HEART

Homelessness is a growing concern not only in California, but in the Nation as a whole. According to the 2015 Homelessness Assessment, California has the highest number of unsheltered homeless people. Meanwhile, San Diego has escalated to 4th in the Nation in total homeless population.

Solutions for Change is a nonprofit organization that creates an innovative and permanent solution to family homelessness. Solutions for Change differs from the traditional containment model that offers short-term shelter, food handouts, and other "Band-Aids" that perpetuate, rather than solve the problem. Instead of these temporary solutions, they focus on empowering homeless families to change their lives permanently!

To accomplish this task, families participate in a 1,000 day program that equips moms and dads with skills, knowledge, and resources (including housing), as they continue to gain and maintain physical, mental, and financial health. By the time residents reach 500 days, they have full time jobs providing for their families.

Of those who graduate, there is a 93% success rate! They have helped to solve homelessness in San Diego County for 1,000 families and 2,500 children. Solutions for Change is solely funded by the generosity of donors, foundations, and corporations. In the past, Solutions for Change received some state and federal support for operations. However, when it was required of them to abandon their sobriety and work requirements, the organization returned more than half a million dollars in federal and state grants.

We invite you to join with the Cal-Mil family in partnering with Solutions for Change helping to transform lives of entire families!
